*All flag prices shown include postage and packing (flagpoles not included)
Larger size flags can be made to special order (prices confirmed on order).*

Making a flag order

Flags are made to order and orders can be confirmed by emailing windrush-generations@outlook.com. All orders take up to 4 weeks turnaround from the formal orders being placed and confirmed by email and the items delivered to the customer. An invoice from Windrush Generations with payment instructions will be sent out once the order is confirmed. Payments are due within 14 days on date of dispatch of invoice. There will be an additional surcharge for shorter delivery turnaround periods if items are required at a shorter than 4 weeks notice/delivery period with an uplift between £20-£40 per flag order subject to flag size ordered.

Obtaining consent from local authorities

Raising flags does not require planning permission; however, you will need to seek formal approval from your local authority to raise the flag on one of their civic flag poles. This may take up to 3 months unless you can convince your local authority to agree sooner to 'Raise the Standard for Windrush'. Please note the flag has been raised in many towns and cities since 2018 with local authorities, government agencies, local and national businesses, community and voluntary organisations. The flag is also raised at the Houses of Parliament UK and government department head offices. In addition, the Jamaican Parliament has also raised the flag. The flag is gaining further interest and traction with more establishments adopting the flag and raising the standard for Windrush75 and beyond.

Local Windrush Community Champion

This initiative enables local Windrush Community champions to be the lead in their local area and to take responsibility to develop strategic partnerships with their community and local authority to successfully Raise the Standard For Windrush from 22nd June and to be flown and preferably for 7 days. There is a standard template speech that involves the community and local Mayor or leader as part of the flag raising ceremony. This speech has been used up and down the country by various participants.

WINDRUSH 75 COMMEMORATIVE PIN BADGE

Windrush 75 commemorative pin badges are available for people to wear which add to the recognition of Windrush Day. The pin badges cost £4.50 each plus nominal postage costs. See link on picture for further details on the pin badge and other commemorative Windrush clothing merchandise on the following website. ***Please note any surpluses we generate from all our sales are re-invested towards community development projects.***

Do let us know as soon as you can if you would like to order your Windrush flag(s) and or commemorative pin badges.

Kind Regards
